Royal Blue Cruise

Full experience - Enjoy the full experience with our yacht in one day, combining all your desires. You will have the time to relax, swim, visit many different places, learn history, admire the sunset, enjoy our delicious food, drink some wine, sunbath or change up the mood into an unforgettable party.

Rineia and Delos island - Here you will have the ultimate time to swim in the turquoise clear water, visit the golden sandy beach, walk around the coast, take the most memorable photos. Enjoy the delicious lunch and drinks we will serve. Passing through Delos you will enjoy from the comfort of the yacht, the wonderful landscape of the ancient monuments of the small island filled with energy.

Sailing and Sunset - The skipper, will be happy to show you how to trim and raise the sails, steer the catamaran, while admiring the amazing scenery of the outstanding Aegean shades of blue. Sunbathe listening to the waves and relax. While the sun goes down dance, or relax listening to the music of your personal choice. Our crew will provide you a light snack and wine to match this wonderful evening.

Why choose us?

'Live like a local'

We are Mykonos. We pay attention to all details. We have ensured to give you the best experience of lifestyle onboard. We will take you to the most unforgettable places and serve you the most delicious Mediterranean food you will find on the island.

Qualified Crew & Customer Experience

Most importantly, we assure that the skilled, sailors and crew, will make you feel safe and comfortable like home but also, spark you with fabulous memories on board. They will fill your needs before you even ask. The team will make this day your favorite in Mykonos.

Sailing & Yacht Performance

We pay special attention to impeccable cleanliness, safety and technical performance of our boats. Our boats are subject to frequent and extensive maintenance check-ups and quality control tests. We want to provide top quality to both our clients and crew.
